## October 2013

### ***Dates to Remember:***

**Oct. 25** - Quarter 1 Report  
Cards Sent Home

**Oct. 29-30** - Parent-Teacher  
Conferences

## **Kite Flying at QISS!**

After Key Assignment Day, many parents and students stayed at QISS for a wonderful afternoon of Kite Flying! Everyone had a great time flying their kites and watching more and more kites soar high into the sky!

## **Hello Grade 2 Parents!**

Thank you everyone who came to Key Assignment Day at QISS and helped make it a success! Grade 2 had a great time watching both Key Assignments, and all of the QISS students who presented did a fantastic job.

Key Assignment Day is the culmination of an entire Unit of study, and it is a great opportunity for parents to see what their children have been learning. Grade 2 will present their first Key Assignment of the school year at the end of Unit 2!

Unit 1 has come to an end, and Grade 2 did a fantastic job demonstrating their understanding of different cultures, and the ways that aspects of our cultures (like food!) can bring us together. In Math we used money from six different countries to create balanced addition and subtraction equations. Money is yet another way that cultures and countries are unique!
