## Halloween Decorations!

Thank you to the PTA and all parents who helped to decorate QISS for the month of October! The school looked spooky and fun for Halloween, and it was thanks to your help!

## Hello Grade 2 Parents!

Grade 2 had a fantastic afternoon of Halloween fun last week! Everyone came dressed in their costumes, and all of the Grade 2 students were ready to celebrate Halloween! They decorated pumpkins, some spooky and some cute! We went trick-or-treating in the Upper School, where we had to find clues in a scavenger hunt in order to earn our candy. The Upper School students decorated their doors and classrooms too!

In the auditorium, each class performed a song and dance with Ms. Victoria. Everyone in Lower School did a wonderful job. Grade 2's song ended with a "BOO!!" Before dismissal, we all enjoyed watching Charlie Brown and his friends wait for the Great Pumpkin. What a fantastic day!
