A New Student

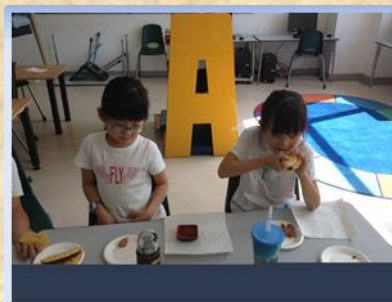

In Grade 2!

This week we welcomed a new student to Grade 2. Her name is Amy Li, and we are thrilled to have her join our class! She will be a wonderful new friend and classmate for our students.

Hello Grade 2 Parents!

To begin our Social Studies Unit, we had a Mexican fiesta! A fiesta is a party in Mexico, with lots of food and celebration. The students ate some tacos, chips and salsa, avocado, and refried beans. We learned about Mexican culture while we enjoyed the food, and then we practiced the Mexican tradition of a piñata! A piñata is a large figure made out of paper that is filled with candy. The students were blindfolded one at a time, and they swung a stick at the piñata trying to break it open to get the candy. We had lots of fun laughing and learning together!

This week we learned about South Korea and different aspects of Korean culture. Grade 2 is looking forward to trying some delicious Korean food at International Day tomorrow! International Day is a perfect example of how food can bring people from all cultures together. Let's have a great time tomorrow, and try lots of different foods from all over the world!
