***Dates to Remember:***

**May 23 – 3<sup>rd</sup> ASAP Ends**

**May 31 – High School Senior  
Graduation**

**Jun. 2 – No School**

## Beautiful spring weather is here!

The sun has been shining and the students have been having tons of fun at recess every day. Now that we are spending more time in the sun, the students need to bring hats to school once again. Everyone needs a hat at school for recess by Monday. Don't forget!

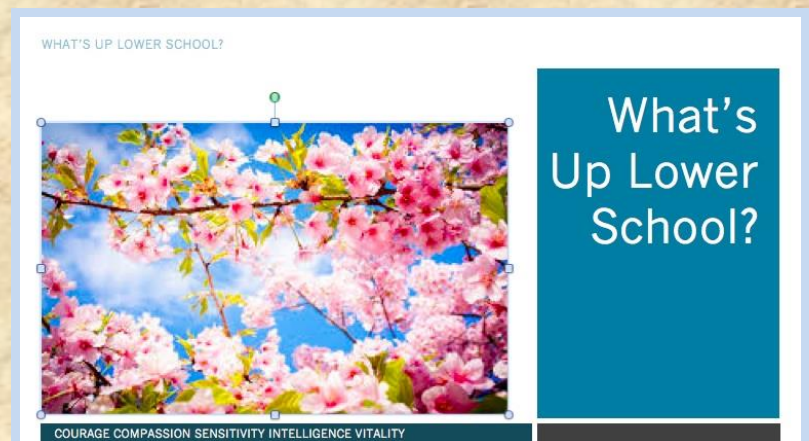

## Hello Grade 2 Parents!

Grade 2 is well into Unit 4, and they have been doing an excellent job. The students know how to properly use a thermometer, and can read the thermometer in both Celsius and Fahrenheit. We are also studying landforms and bodies of water in Social Studies, and types of weather in Science. The class will learn how these topics are related as we continue studying through the end of the year.

In P.E. the students will begin their spring unit on swimming next week. The schedule was sent home today, and the information can also be found on the home page of the Grade 2 website. Don't forget your swimming bag on Monday!

There is a new issue of the Lower School Newsletter available now! Check it out on the Grade 2 website!
